

The Beatles Rock Band Drum Set Leg Replacement

This guide will demonstrate how to replace the legs in on the Rock Band Drum Set.

Written By: Zach Richter

INTRODUCTION

For this repair guide, you will need enough space around you so that you can place certain parts of the drum set on the side as you work on removing the legs of the drum set.

Step 1 — Legs

- Flip the leg retention clips on the back of the upper assembly down.

Step 2

- Remove upper assembly from legs.

Step 3

- Remove legs from bottom support structure.

To reassemble your device, follow these instructions in reverse order.
